PETITION TO THE HOUSE OF COMMONS
IN PARLIAMENT ASSEMBLED

We, the undersigned, the citizens *of Canada* draw the attention of the House to the following:

THAT, staffed lightstations provide an essential service to Canadians that help keep mariners and aviators safe along the coasts of British Columbia, Newfoundland and Labrador. Lightkeepers exemplify the Canadian Coast Guard motto “Safety First, Service Always” and their services cannot be replaced by automated equipment.

THEREFORE, the citizens of Canada call upon Parliament to refrain from de-staffing lightstations and retain the services of Lightkeepers on all staffed lightstations in Canada as of September 1, 2009.
